PRESS RELEASE

Pamplona 18/11/2009

Visit to the facilities of the next Pelota Vasca World Championship.- Pau 2010

A representation of the FIPV, headed by its President Mr. D. Boutineau, with the General Secretary, Mr. Dunat, the President. of the Commission of facilities, the architect Mr. R. Araujo and the specialist of Television, Mr. F. Lopetegi have visited, yesterday Tuesday, all the facilities that will lodge next “XVI the CTO. “Pelota Vasca World Championship” from the 1st to the 10th of October 2010.

In Pau: all the specialities (Fronton of 54m, of 36 and 30m and trinquet).

In Lescar: Fronton of 30 m.

In Oloron: Trinquet

The visit has been very positive and all the facilities are of high quality, consequently there will be no problem to grant the corresponding homologation to them.

We recommend visiting the Website of the event: www.pelota-2010.fr
